Here, all desires are answered. The unbelievable beach invites lovers of water sports to windsurf, SCUBA dive, sail a sunfish, all a prelude to the ultimate dream-come-true. Earlier in the day, there are a myriad of new discoveries: the state-of-the-art fitness center, a spirit-and-body soothing spa and the centuries old cotton tree in the gardens.

Let the master chefs anticipate your appetite in one of our 6 classic restaurants offering French or Italian cuisine, continental menus, plus breakfast and luncheon buffets galore. Still eager? Why not try the 24-hour In-Room Dining or the prize-winning concoctions of Grand Lido bartenders.

After dark the rhythm quickens with romantic melodies at the piano bar and toe tapping tunes in the disco.

As the hours fly by and the sun rises, breakfast of old favorites and a new bounty of fresh tropical fruits and Jamaican coffee are served. Start a new relaxing day at the beach or pay a visit to the nearby Negril Country Club.
